VS-3151

5 Speakers + **1** Subwoofer

ALTEC LANSING®

POWERED AUDIO™

SURROUND

Just listen to this!™

Immersive Sound at a Great Price!

No matter what type of entertainment you're into, the VS3151 is an excellent and affordable all-around system. Connect the VS3151 to a 5.1 sound card to let six speakers bathe you in vivid and panoramic sound, pulling you directly into the action. The center channel reproduces lifelike dialogue while four satellites ensure you'll hear the enemy creep up from all sides. The VS3151 also offers the unique option of turning any stereo sound into a 6-speaker experience. Plus, its flat panel design with sophisticated metallic feel and brushed aluminum finish means the VS3151 will look great next to your flat panel monitor or anywhere in your home.

VS•3151

5 Speakers + **1** Subwoofer

Impressive Power – Thrusts you into the gaming and movie experience!

Powerful Bass – Feel shakes and quakes from the front-firing, long-throw subwoofer housed in a ported, wooden cabinet.

Dual-Mode Selector – Each listening mode is specially engineered to provide outstanding performance.

- Use the 6-Channel Surround Mode with a 6-channel sound card to thrill your senses with the vivid, panoramic experience of true surround sound.
- Use the 2/4 Channel Mode to enjoy immersive six-speaker sound from any source – CD players, MP3 players, or your standard 2 or 4-channel sound card.

Pivoting Center Channel and wall-mountable speakers – For a convenient and flexible installation.

Distinctive Styling – Looks great next to your flat panel monitor or anywhere in your home.

Feature-loaded Control Pod

- Power and volume (master, center, surround, and subwoofer)
- Headphone jack
- Built-in RCA inputs for your TV or video gaming system

Shielded Satellites – For use near video monitors.
